Join us at this fun event to kick off and also say goodbye to Summer - 8 weeks of food trucks, craft beer and wine, music, kids activities and more. We are accepting applications from concession vendors in food trucks, trailers and 10x10 tents. We are collaborating with the Village of Lisle to bring this new community event to the heart of the central business district.

### THURSDAY

#### **RAVINIA FOOD TRUCK THURSDAYS**

**HIGHLAND PARK - RAVINIA**

**486 Roger Williams - Jens Jensen Park**

**Thursdays 4:30PM until dusk • June 4 - September 3 (no market July 2)**

We are accepting applications from concession vendors in Food Trucks, trailers and 10x10 tents on Dean Avenue, as well as local non-profit and service vendors supplying their own 10x10 tents in Jens Jensen Park. Ravinia District Businesses with liquor licenses may apply for and sell alcoholic beverages in the park. Life Rhythms is managing the live music program and Junipr Public Relations will be sponsoring theme nights. This is a great collaboration that would not be possible without the support of the City of Highland Park, Ravinia SSA 17 property owners and the Highland Park Park District.
