## WHAT YOU NEED TO KNOW BEFORE YOUR FIRST DAY AT MARKET

- **DIRECTIONS:** Here is a link to the google map created for the markets so that you can navigate easily to your destination.

<https://drive.google.com/open?id=1U3MG18vDpoJV7z1XgLXHtleI5QM&usp=sharing>

- **You will receive an email from the market supervisor the evening prior to each event with your booth assignment and any other special instructions for the market. It is your responsibility to look for and review this email prior to attending. If you have a question prior to market, please reach out directly to that market supervisor (see page 7 for supervisor contact information).**
- **SET UP** begins 1.5 hours before the market opens - if you do not know your booth assignment at market do not arrive earlier than this. If you set up in the wrong spot you may be asked to move.
- We provide a French Market Canopy at all locations \*except Barrington, Elmhurst and Pioneer Court markets. Vendors must bring their own 10x10 tents to these markets. \*Wheaton is a combination of market canopies(13x6.5), vendor tents (10x10) and open air space under the pavilion (10x10 and 13x6.5 space). Communicate directly with the Wheaton Market manager if you are only able to accept a certain type of space.
- **FRENCH MARKET CANOPY** All participants including nonprofit/chamber members are responsible for rolling out/tying down your canopy prior to the open of the market and must roll it back properly before you leave or if weather conditions present that threaten to break the canopy (refer to hazardous weather policy) The supervisor at your market will teach you the proper way to roll out and roll back your canopy.
- **10x10 TENTS** Vendors must properly weight all 4 corners of their tent with a MINIMUM of 20lbs per leg on any market day and heavier weights as the chance for wind increases.
- **YOUR DISPLAY:** Everyone (including non-profits and chamber participants) must bring their own tables, chair, and display. The dimensions of your booth will be 13 feet wide x 6.5 feet deep when you are assigned a French Market Canopy and 10x10 in your own tent.
- **FOOD VENDORS:** You are responsible for contacting the sanitarian for the market(s) you will be attending and for acquiring the appropriate food permitting for the event. Sanitarian information is on page 10.
- **ARRIVING LATE/LEAVING EARLY** Vendors will be fined \$10 every time they arrive late (after the open of the market) or leave early (before the close of the market).
- **WHAT IF I SELL OUT?** That is awesome! We ask that you stay in your booth until the end of the event so that all our guests know you are at market – maybe next week they will come earlier. Vendors that consistently sell out before the close of the market and find it a hardship to stay until the end of the market hours will have the option of moving to a smaller market.

- **PARKING** Wheaton has a limited number of reserved paid parking spaces on the market site. There is ample street parking around this market and most vendors do not purchase parking. If you do not have reserved parking spot at the Wheaton market you must unload and move your vehicle to off site parking prior to setting any display up in your booth. Please carefully review the Wheaton parking and unloading procedures included in this manual so that you do not have an unpleasant experience at this market. All our other markets offer either complementary parking on the market site or street parking near the market in accordance with locally permitted use. In all markets other than Pioneer Court you will be able to pull up near your booth to load and unload and then will relocate your vehicle to approved parking areas. Pioneer Court participants will be provided with additional information on parking.
- **ELECTRICITY** Not all markets have electricity, and you may be required to bring a generator. If you require electricity, please contact the supervisor before your first market date to make sure this amenity is available to you. **We do not provide electricity for computers, tablets, phones, lighting, fans, or cash registers.** If we can offer electricity to you, you must provide your own weatherproof extension cord(s) of the appropriate length and may need to cover the cord to prevent a trip hazard for guests.
- **BAD WEATHER POLICY:** Our markets are rain or shine events and we do not cancel them. In the event of extremely severe weather, we may not be able to set up canopies and we may need to temporarily suspend operations until conditions improve. Please review the severe weather guidelines for more information on procedures. **There are no refunds for dates that are adversely affected by inclement weather. Contact Leslie to see if you miss a date due to weather to see if you may qualify for a comp day at one of our community markets.**
- **Cancellation Policy:** If you cancel > 7 days prior to the event you may roll your booth fee to another date or location, but the fee is non-refundable. If you cancel less than 7 days prior to the event you lose your booth fee for the day. If you do not show up for an event and you fail to notify the supervisor or the office prior to the start of the market you lose your booth fee and will also be fined an additional \$20.00 no show fee. We may take exception to this policy if there is an emergency that precluded you from notifying us of your absence.
- **PRODUCE VENDORS**
  - **Organic Certification** Must be prominently always displayed. Certified organic produce must be segregated from non-organic so that there is no confusion for the public. **Vendors that use organic pesticides are not considered organic – you must be certified to make this statement to the public.**
  - **Origin of Produce: All produce must be sourced regionally** (Illinois and bordering states as well as Michigan) unless pre-approved by the Manager prior to the event. The origin (State) for every produce item sold must be posted in a highly visible place during all market hours. If all produce comes from one location vendor may utilize one banner in their booth that expresses this (i.e., all produce is grown at our farm located at 1464 Main Street Coloma Michigan). If any produce is sourced, you may not use a banner with this wording. Each item sold must be prominently labeled as to its origin. No produce may be imported from another country. Vendors not complying will be fined up to \$500.00 and may be banned from future participation at market.
- **Sampling food at the market:** If you are preparing or sampling a consumable product at market you must be properly permitted. This includes produce vendors that cut and sample product. Vendors sampling food at market must have either an Illinois Sampling permit or a temporary

food permit from the local health department. Please check with the local sanitarian in the list provided in this manual to confirm what they require.

- **Vendors selling food for consumption that is prepared at the market must apply for a TEMPORARY FOOD PERMITS for each market location. Be sure to have your permit available for inspection at your first event.** Our office can assist you in this process and a list of sanitarians per county is provided in this packet.

## **HAZARDOUS WEATHER PROCEDURE**

**All vendors should check the weather forecast before coming out to market. Should there be a chance of severe weather – please use any technology you have at your disposal (tablets, smart phones, computers) to remain up to date on changing weather conditions. Notify the Site supervisor immediately if you believe that hazardous weather is approaching the market.**

### **Severe Weather Approaching:**

#### **High winds, strong storms, tornado watch**

- Any time a vendor feels that weather threatens their product or safety they should notify the supervisor that they are leaving. Vendors are responsible for rolling back canopies prior to leaving the market UNLESS dangerous weather is upon the market.
- The supervisor will make every effort to be aware of changing weather conditions and will attempt to give vendors a 30-minute notice of approaching severe weather.
- Upon notice of approaching severe weather conditions by the supervisor, as time permits vendors will be required to roll back canopies, take down tents, secure inventory and then seek shelter. Do not obstruct the driving aisle around the market at any time. You are creating a much greater hazard by potentially trapping people on the market site.
- Operations will be immediately suspended and remain suspended until the Supervisor reports that the weather has stabilized. Vendors are not obligated to return.
- Vendors should always remain alert, should a vendor become aware of impending severe weather notify the supervisor immediately

### **Tornado Warning**

- **Should tornado warning sirens be engaged immediately leave your booth and seek shelter**

### **Thunder heard or Lightening seen at market**

- On-Site Supervisor will immediately suspend operations at the market and instruct vendors and customers to seek shelter immediately.
- The market will remain closed for 30 minutes and can re-open at that time
- Every time thunder is heard, or lightening is seen - this procedure will start again

### **Vendor rights and responsibilities**

- Bensidoun USA markets are “rain or shine” events. Should the market suspend operations, open late or close early due to weather conditions - vendors are not entitled to any refund of booth fees.
- Vendors may at any time cease operations and notify the Supervisor that they will leave the market without penalty should weather conditions arise that they feel would be detrimental to their product. Markets are “rain or shine,” and vendors are not entitled to any refund of booth fee.
- Vendors that choose to cease operations, or not set up, or that choose to leave early due to weather conditions must notify the supervisor of their decision.

## **Bensidoun USA, Inc. Midwest Markets – 2025 season Vendor Rules and Regulations**

Vendors and their staff are required to review and abide by these rules and regulations

For these rules and regulations, “Market Hours” means the advertised hours of operation. “Promoter” means Bensidoun USA, Inc., “Space,” means the area rented by the Vendor from the Promoter. “Vendor” means an applicant confirmed to participate in a market by the Promoter. “Vendors” means each applicant confirmed to participate in a market by the Promoter. The Promoter reserves the right to adjust the rules and regulations as it deems necessary or appropriate to better serve the buying public, maintain fair market competition among Vendors or respond to changing conditions or circumstances. All Vendors will be promptly notified of any such changes.

1. Vendors must comply with all applicable Federal, State, and local laws, rules, and regulations, including, but not limited to, those related to health and licensing. Food Vendors are responsible for complying with applicable health and sanitation requirements and must be permitted by the County Health Departments of the markets they attend.

2. Vendors offering food products must provide an ACORD certificate of Commercial Liability Insurance listing Bensidoun USA, Inc. (405 N Wabash #3404, Chicago, IL 60611) as additional insured prior to participation in the market.

3. Vendors are required to provide their Illinois tax registration License number before attending any market and are responsible for collecting and reporting all applicable Federal, state, and local taxes to the Illinois Department of Revenue. Bensidoun USA is required to report vendor information for each market to the Illinois Department of Revenue Special Events Unit on a monthly basis as well as to any local bodies of government wishing to verify sales tax collections at the event. For more information on sales tax filing visit <https://tax.illinois.gov/individuals/fairs.html>.

4. The Promoter has the right to restrict products sold or displayed by Vendor to those that Promoter deems appropriate for a family audience. In addition, Vendors shall only sell products that are of excellent quality, which they have lawfully obtained, manufactured, or grown.

5. Vendors must be prepared to sell at the start of market hours and must continue to sell until the close of market hours and will be banned from market participation after the third violation of arriving late or leaving early. Loading and unloading will occur only before and after market hours.

6. Vendors must haul out any garbage generated during business and must leave their booth’s space swept clean of any refuse.

7. Vendors will abide by the parking/loading and unloading rules and regulations of the Markets that such Vendor participates in. Vendors may not park anywhere on the market site during hours of operation without express permission by the site supervisor. Vendors may not unload/load their vehicle(s) from the drive-through aisle of the Market. At the end of the market, Vendors must pack up all goods completely before bringing a vehicle on the site for loading.

8. Vendors must keep their spaces as clean as possible during Market Hours and will always be polite with customers, using their best efforts to enthusiastically sell their products.

9. Vendors will cooperate with and participate in promotions organized by the Promoter (for example, contributing a reasonable amount of vendor product towards Market customer giveaways) and may be asked to provide information for publicity.

10. If Promoter determines, in its sole discretion, that Vendor is not selling appropriate products, or that Vendor or its employee's conduct is inappropriate at any point in time, the Promoter may request the Vendor vacate its space immediately. The Vendor agrees to comply with any such request. The Promoter will have the right to prohibit any such Vendor from leasing future space.

11. In markets where Bensidoun USA provides the canopy, the Vendor will ensure that the canopy over its space is fully rolled out and securely tied to the framework at a minimum of 6 points (4 corners, 1 center front, and one center back) and will inspect the canopy over its space regularly during the Market Hours to ensure that it remains securely tied. The Vendor understands that the canopy may become untied during the market especially on windy or gusty days and Vendor will be especially alert and vigilant at these times. The Vendor will report any defects in the canopy fabric, woodwork, ties, and framework to the Promoter immediately. If Promoter advises Vendor that Promoter deems the approaching weather conditions hazardous, Vendor shall untie and roll back the canopy. Vendor understands that severe injury may result if the canopy detaches from the framework and becomes airborne due to high wind and accepts responsibility for any negligence on its part if this occurs. Vendor must roll back their canopy(s) at end of market day.

12. Vendors using their own tents must properly weigh the tent.

13. Vendor acknowledges and agrees that assignment of booth location at each French or Farmers Market on each date is in the sole and absolute discretion of Bensidoun USA, Inc. and its agents. Assignment to Vendor of a booth location at a French or Farmers Market on a specific date does not guarantee or constitute an agreement by Bensidoun USA, Inc. to provide that same location to Vendor on future dates.

14. Vendor acknowledges and agrees a) Vendor shall not be entitled to a refund for any fees paid for failure to participate in a Bensidoun USA, Inc. Market that such vendor has been accepted to; and b) Vendor shall be assessed a \$20.00 cancellation penalty if such vendor fails to provide 24-hour cancellation notification.

15. Vendor certifies that all persons assisting in the Vendor's booth have read and fully understands these rules and regulations and will abide by them.

16. Vendor understands that none of the following conditions guarantees participation by such vendor in a particular market and/or for a particular date or a particular vendor space in a market: 1) the receipt of this application, 2) the acceptance of this application by Bensidoun USA, 3) the designation of eligibility status of a Vendor to participate in the Bensidoun USA, Inc. markets on either a full-time or part-time basis, 4) payment by vendor or 5) prior participation by a Vendor in any market. At the sole discretion of Bensidoun USA, any payment received for a market may be reallocated by Bensidoun USA to 1) a different date, location or time based on events that occur after the remittance of payment; 2) or to any outstanding fees /penalties owed to Bensidoun USA, Inc. by vendor. This application will be used by Bensidoun USA, Inc. to assess vendors for their appropriateness and potential eligibility for participation in specific Bensidoun USA Midwest Markets.

Dear Business Owner,

As a business operating at events held in the Village of Roselle, there are two tax ordinances that apply to your business.

- 1) **Home Rule Sales Tax:** The ordinance sets a home rule sales tax rate of 1.50%. The tax applies to “high tax” items and will be **payable to the State** when you file your ST-1 and/or ST-2. Base sales tax and Home Rules sales tax in Roselle are as follows:

***DuPage County***

Base Sales Tax Rate: 7.0%

Home Rule Sales Tax Rate: 1.50%

**Total Sales Tax Payable to the State: 8.50%**

- 2) **Food & Beverage Tax:** The ordinance sets a food and beverage tax rate of 1.25%. The tax applies to any and all solids, semi-solids, liquids, powder, alcoholic beverages, and non-alcoholic beverages that have been prepared for immediate consumption. This includes all packaged beer, wine and liquor sold at retail. Please see the enclosed food and beverage tax guide for businesses. The tax is **payable to the Village** on a monthly basis and the return can be filed and the payments made on the Village’s website at [www.roselle.il.us/Payments](http://www.roselle.il.us/Payments). Click “File and Pay Locally Imposed Taxes”. The tax and return are due by the 20<sup>th</sup> day of the month following the reporting period, and we strongly encourage completing both online. E-check payments are accepted at no extra charge.
